The work of our missionaries is a magnificent expression of God's Redeeming Love

Missions

Poverty. It is something we see everyday and sometimes turn a blind eye to. It strikes many families each day and it is often the children and youth who are left vulnerable to abuse and exploitation.

Through Helping Hands Ministries UK, we strive to build courage in those living in desperate poverty. We believe that the unconditional, unfailing and limitless love of God is the most powerful reality there is. Thus, we endeavour to encourage all those in hopeless circumstances to focus their hope in God, as opposed to uncertainty, instability and fear of the future.

In partnership with Compassion UK (www.compassionuk.org), we sponsor many children in regions of Sri Lanka, Indonesia and Guatemala; giving them life-changing support. This includes food, education, health-checks and the care of local churches.

In the month of August 2018, a group of twenty people visited Sri Lanka as part of our missionary work. We were honoured to visit our sponsored children and their families, whilst spending our days at Compassion projects. We also visited homes of children and youth who are orphaned, neglected, or impoverished.

We engaged in prison and street ministry; helping those affected by the war, tsunami and in extreme poverty. We also spent time with children and their families at Apeksha Cancer Hospital – Maharagama, and Prithipura Special Needs Home.

As a Christian charity, our vision is to see God glorified through the faith and love we share to those who are left vulnerable by poverty; giving them hope and a future in Christ.

Amazing Grace of God Church initially started as a small prayer group in Slough. By June 2005, our Church was launched at Upton Lea Community Centre.

A year later, our services started to take place at Hampshire Avenue Methodist Church; conducted in two languages, both English and Tamil. By July 2013, a branch was established in Farnborough; with services taking place at Cove Baptist Church.

For nearly fifteen years, Christians from different countries and backgrounds have met at Amazing Grace of God Church to praise God, and discover more of Jesus' love in their lives.

Helping Hands Ministries UK is our registered charity through which all our missions and ministries take place. We endeavour to restore hope, rebuild faith, and spread the Good News!

About Us

'Let your light shine' is our motto and we strive to be a beacon of hope amongst churches and communities.

Upton Lea Community Centre - 2005

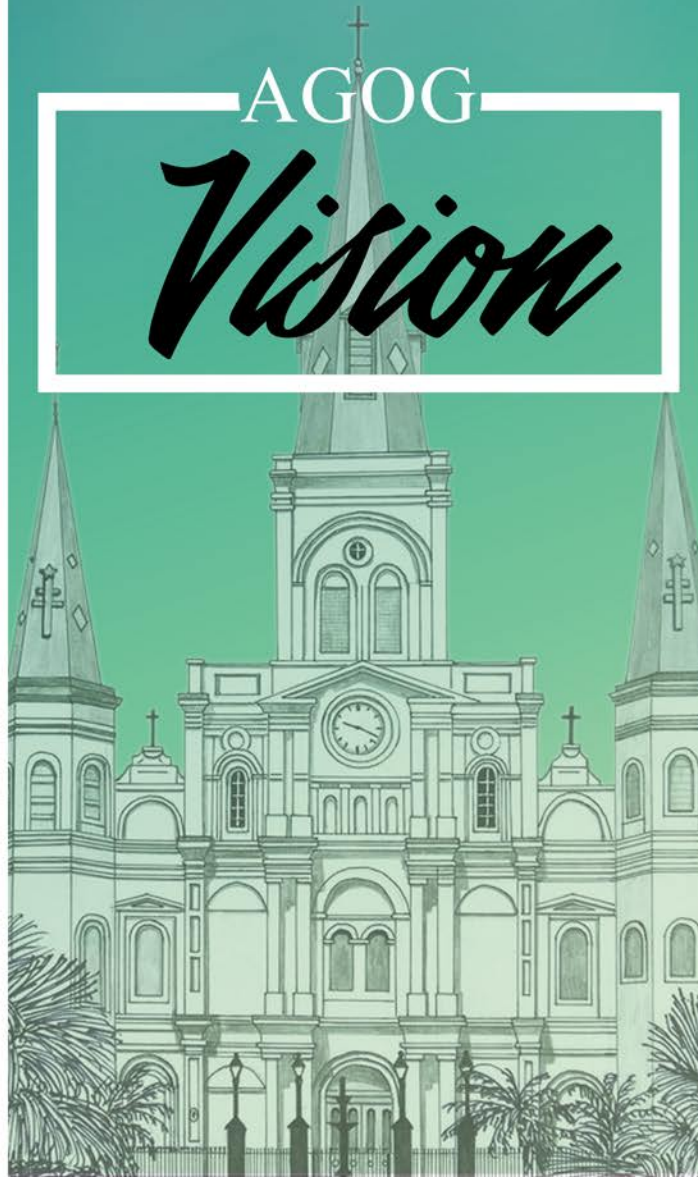

God's Grace is the truest expression of redeeming, forgiving and restoring Love.

Our main focus in purchasing a building of our own is to develop the property as a Church - a home of worship and fellowship.

One of the most valuable aspects of our Church would be our mission and ministry within the community. We are devoted to building a greater integrated community of people and creating a sense of belonging. We focus on giving back to the community and providing a safe environment to serve people of all ages, backgrounds and cultures.

Through Helping Hands Ministries UK, establishing a safe space for the homeless, elderly, families and the young would be our centre of interest. We aspire to support people in thriving and improving their motivation, health and happiness in life.

A few of the services in building a community and strengthening the well-being of local people would include the following:

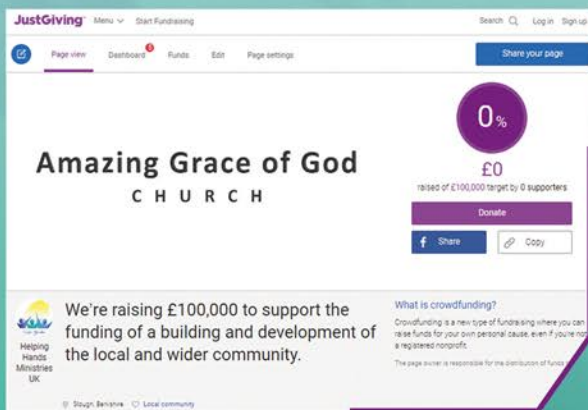

- Food bank for the homeless
- Senior citizens fellowship
- Mothers and toddlers' group
- Social or leisure opportunities for young people and families
- Skill-sharing workshops

By forming a bond and building strong foundations with children and families we encounter, we remain passionate in empowering all to fight poverty and overcome the struggles one faces in day to day life.
